

dwa_local_planner::
DWAPlanner::reconfigure

```
graph LR; A[dwa_local_planner::DWAPlanner::reconfigure] --> B[base_local_planner::SimpleTrajectoryGenerator::setParameters];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'dwa_local_planner::' followed by 'DWAPlanner::reconfigure' on the next line. The right box is gray with a black border and contains the text 'base_local_planner' followed by '::SimpleTrajectoryGenerator' on the next line, and '::setParameters' on the third line.
