

dwa\_local\_planner::  
DWAPlanner::DWAPlanner

```
graph LR; A[dwa_local_planner::DWAPlanner::DWAPlanner] --> B[base_local_planner::LocalPlannerUtil::getGlobalFrame];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'dwa\_local\_planner::DWAPlanner::DWAPlanner'. The right box is gray with a black border and contains the text 'base\_local\_planner::LocalPlannerUtil::getGlobalFrame'.
