

costmap\_2d::InflationLayer  
::computeCost

```
graph LR; A["costmap_2d::InflationLayer  
::computeCost"] --> B["distance"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'costmap\_2d::InflationLayer' on the top line and '::computeCost' on the bottom line. The right box is white with a black border and contains the text 'distance'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
